

Erdington Hall Primary School
SUMMIT LEARNING TRUST

24th January 2023

Dear Parents/Carers,

The children in Year 2 and Year 6 are working really hard in preparing for their SATs that will take place in May. We are very pleased with the effort that they are making. We would like to offer further support for them so that they are as ready as they possibly can be for SATs and their next steps in learning.

That is why we are offering an Easter Club. This will be from **Monday 3rd – Thursday 6th April 2023**. Everyone will be invited to come and wear their PE kit or other comfortable clothes for taking part in sports in. Our teachers will be offering lessons to help prepare our children to feel really confident in their learning, especially for SATs. Kits Academy, who already provide after school clubs, will be offering a variety of activities for all. You will not need to provide a lunch for them, that will be provided for free.

We think that it will be a great time for the children to spend time learning, taking part in a mixture of exciting activities and we also think that it will help you as families in providing some enjoyable days that they can spend with their friends. Your child would be with their own class and groups. Please see below for dates and times.

Daily, Monday 3rd – Thursday 6th April 2023

8.30am: Early drop off – Erdington Hall staff will take them to their learning areas/classroom
9.00am: Normal drop off
12.00pm: Lunch – provided by Kits Academy
3–3.30pm: Pick up

Please book by completing the reply slip below and returning to the school office as soon as possible. We strongly recommend this for all our children and hope that they will attend. Thank you for your continued support.

Yours sincerely,

Mrs Downes
Principal
