

2022 – 2023 Mathematics Overview → Year 1

Autumn 1 (6 weeks)	Numbers and the number system Part 1 of 5 Calculation: Addition and subtraction Part 1 of 5 Visualising and constructing (3D shape) Part 1 of 2	Autumn 2 (7 weeks)	Numbers and the number system Part 2 of 5 Calculation: Addition and subtraction Part 2 of 5 Exploring Time Part 1 of 2 Mathematical movement	Spring 1 (7 weeks)	Numbers and the number system Part 3 of 5 Calculation: Addition and subtraction Part 3 of 5 Visualising and constructing (2D shape) Part 1 of 2	Spring 2 (5 weeks)	Exploring fractions Calculating: Multiplication and division Exploring money Part 1 of 2	Summer 1 (6 weeks)	Numbers and the number system Part 4 of 5 Calculation: Addition and subtraction Part 4 of 5 Exploring Time Part 2 of 2	Summer 2 (8 weeks)	Numbers and the number system (problems) Part 5 of 5 Calculation: Addition and subtraction Part 5 of 5 Exploring money Part 1 of 2 Measuring Space
	Homework		Number facts/ Subitising		Patterns/ sequences (reception revision)		Number facts/ Doubling and halving		Shape (2d/3d shape properties) + arithmetic		Money (coin recognition) + arithmetic
