5th October 2022

Dear Parents and Carers,

Workshop Wednesdays for all classes

We are going to be running workshops for you to join in with after half term. The aim is for you to see how the children work in English or Maths in school. We will run sessions for each class for around 30-45 minutes at the start of the day. You will be invited to work with your son or daughter and can informally speak with the teacher too.

We would like it to be a fun session and for you to feel welcome in our school and very welcome to ask any questions.

If there are concerns you have about any other issues, speaking with your child's class teacher first is always advised. We have an open-door policy and are always happy to work with you to help your child be the best that they can. We look forward to seeing you at our workshops.

Here are the details:

Each workshop will begin at 9am. Please drop your children as normal and then make your way to wait at the front entrance/reception area.
