

Erdington Hall Primary School
SUMMIT LEARNING TRUST

Erdington Hall Year 6

Summer 1 Curriculum Overview

Erdington Hall Primary School
SUMMIT LEARNING TRUST

Dates for the Diary

PE days—Friday (wear PE kit with school shoes and change into trainers)

In Reading, we will be learning about:

We will be practicing a variety of questions to start to prepare us for our SATs. We will look at a variety of texts to ensure that we have a broad range of reading opportunities.

We will be practising by having short reading comprehensions every Tuesday using a variety of texts, so if we could keep positively reminding our children of the importance of reading.

We will also be reading for pleasure in class and hope that you and your child will continue with this at home.

In Maths, we will be learning about::

In Maths, we are going to be consolidating all the taught knowledge we have gained this year and continuing our SATs practise. We would encourage parents to continue to remind children to access their mymaths accounts and timetable rockstars as these prove an invaluable resource in their SATs preparation

$$0.5 \quad \frac{1}{2} \quad 50\%$$

DECIMAL FRACTION PERCENTAGE

In Writing, we will be learning about:

In this half term, we will be firstly be writing biographies of infleunteial people from the second world war. The children will research and write about key people such as Noor Inayat Khan, Virginia Hall and Alan Turing.

We will then move on to writing a setting description and narrative around a popular music video by David Guetta and Sia called Titanium.

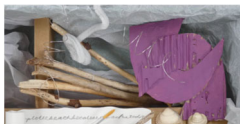

Our curriculum project is: A child's war

Our main subject we will be focusing on is: History

Across this project, we will begin by studying The cause and effects of World War 2 and looking deeper into how it has shaped Birmingham today and the world around us. From then, we will introduce the key figures involved and key events and study the developments and outcomes, focusing particularly on The Blitz and the D-Day operation. We will then apply our knowledge of World War 2 explain their importance on our lives and the world we live in today.

In Art, we will be learning about:

We will be learning how to make 3D sculptures. This unit teaches pupils to create expressive sculptures and reflect on artistic decisions. Children learn to represent memories through art, using various materials and techniques, and develop skills in planning, creating, and evaluating 3D sculptures.

In French, we will be learning about:

We will be learning about how to say a variety of nouns in French (including Greetings and directions.

In Music, we will be learning about:

We will be learning about the music genre of Folk , with a focus on improvisation using instruments.

In P.E, we will be learning about:

Our PE session will be on a Friday afternoon till the end of this term.

In P.S.H.E / R.H.E , we will be learning about:

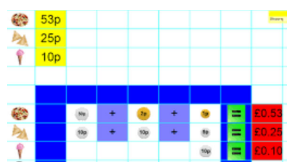

In RHE, our unit is titled “Healthy Me ” where we will consider how to make healthy choices, learn how to keep calm and deal with difficult situations.

In R.E, we will be learning about:

We will be focusing on arrange of religions, discussing; how to be being courageous and confident, how to respond to suffering, and also how to be merciful and forgiving.

In Computing, we will be learning about:

In computing, we will be using Purple Mash to learn about data processing and the use of spreadsheets.
